

Don't It Make You Want to go Home (Royal)

OPENER

Grand Square

Whoa the whippoorwill roost on the telephone pole
And the Georgia sun goes down
Well it's been a log time - But I'm glad to sy that I'm
Going back down to my home town - Allemande and Weave
Don't it make you wanna go home now
Don't it make you wanna go home
All God's children get weary when they roam
Don't it make you wanna go home

FIGURE

Heads Square Thru

Your Corner Do Sa Do
Swing Thru and then the Boys Run Right
Bend the Line and do a Right and Left Thru
Flutterwheel - Slide Thru
Swing the corner lady round and Promenade
All God's children get weary when they roam
Don't it make you wanna go home

MIDDLE BREAK

Grand Square

Going down to the Greyhound Station
Gonna buy me a one way fare
If the good Lord's willing and the creek don't rise
By tomorrow I'll be right there - Allemande and Weave
Don't it make you wanna go home now
Don't it make you wanna go home
All God's children get weary when they roam
Don't it make you wanna go home

CLOSER

Grand Square

But there's a six lane highway down by the creek
Where I went skinny dipping as a child
And a drive in show where the meadow used to grow
And the strawberries used to grow wild - Allemande and Weave
Don't it make you wanna go home now
Don't it make you wanna go home
All God's children get weary when they roam
Don't it make you wanna go home

TAG

Don't it make you want to go home (3 times)

ADDITIONAL LYRICS

There's a dragstrip down by the riverside Where my grandma's cows used to graze
Now the grass don't grow and the river don't flow Like it did in my childhood days
