## Additional Lyrics

How I love to be around you

When the lonely night surrounds you

How I love to be alone with you

How I love to have the power

To read your mind one hour

How I love to be alone with you

Just to be with you one night

You and me alone

Kiss your lips and hold you tight

Have you for my own

This would be a joy unending

Could be a real beginning

How I love to be alone with you
