

Highway 40 Blues (RYL 728) Cut Braffett

OPENER

Circle Left

These highway 40 blues,
I've walked holes in both my shoes
Men-star by the right-hand go
left allemande and weave the ring
Wasted time and money too
Swing your girl and Promenade
But in the end, I had to lose, Lord above I've paid my dues
Got the highway 40 blues

FIGURE

Heads forward/sides

Square-through four hands you go
Swing-through, boys cross-run,
girls trade, girls run, couples hinge
bend the line, right and left through, half sash-ahy
Swing and Promenade
But in the end, I had to lose, Lord above I've paid my dues
Got the highway 40 blues

MIDDLE BREAK

Circle Left

The highway called when I was young
Told me lies of things to come
Men-star by the right-hand go
Left Allemande and Weave The Ring
Shattered dreams my mind is numb
Swing that girl and promenade (My moneys gone, stick out my thumb)
My eyes are filled with bitter tears, Lord I aint been home in years
Got the highway 40 blues

CLOSER

Circle Left

You know I've rambled all around
Like a rolling stone from town to town
Men-star by the right-hand go
Left Allemande and Weave The Ring
Well I've played the music halls and bars
Had fancy clothes and big fine cars
Things a country boy can't use, Dixieland I sure miss you
Got the highway 40 blues

TAG
