

Ain't Nothin' Shakin' (RYL 0821) Randy Dougherty

OPENER - MIDDLE BREAK - CLOSER

Four ladies chain the ring, turn her with an arm around
Chain the girl send her straight across
Join up hands and circle left go walkin all around
Left allmande the corner and weave the ring
My papa told me there'd be times like these
Swing your girl and promenade her
Why must she be such a dog gone tease
Ain't nothing shakin' but the leaves on the trees

FIGURE

Heads square thru
Corner go right and left thru
Swing thru - gentlemen run to the right
Half tag - scoot back
Boy fold - girls chain across and chain her right back
Take her by the hand and promenade
She locked my heart and threw away my keys
Ain't nothing shakin' but the leaves on the trees
