

OPENER

Grand Square

I've never seen a Tequila Sunrise
I'd like to walk down Seven Bridges Road
I've never been to Winslow Arizona
And like James Dean eternity her I go
Allemande Left and Weave the Ring
I wanna ride the Midnight Flyer - I can't tell you why or where I'm going
I've got a Peaceful Easy Feeling
Cuz in my mind I'm already gone

FIGURE

Heads Square Thru count 'em 4 hands round
Around that Corner do a Do Sa Do
Swing Thru and then the Boys Run to the Right
Bend the Line and do a Right and Left Thru
Flutter Wheel and then you'll Slide Thru
Swing the Corner and Promenade
I've got a Peaceful Easy Feeling
Cuz in my mind I'm already gone

MIDDLE BREAK

Grand Square

I wanna be a Desperado
I wanna drive an old 55
No, I won't take it easy
I'll Take it to the Limit every time
Allemande Left and Weave the Ring
I wanna ride the Midnight Flyer - I can't tell you why or where I'm going
I've got a Peaceful Easy Feeling
Cuz in my mind I'm already gone

CLOSER

Grand Square

I live life in the fast lane
There's gonna be a Heartache Tonight
And one of the days at Hotel California
I'm gonna find that Witchy woman with Lyin' Eyes
Allemande Left and Weave the Ring
I wanna ride the Midnight Flyer - I can't tell you why or where I'm going
I've got a Peaceful Easy Feeling
Cuz in my mind I'm already gone
